Documents/evidence required to be submitted with this application:

**Academic transcript(s)**

These must be an original or a verified copy. Your transcript must include courses taken and marks/grades achieved, key to the grading system and confirmation that you have completed the course requirements or provide graduation certificates.

**Birth certificate or passport**

Original or verified copy of your birth certificate or passport, showing the same name that is on your academic documents.

**Curriculum Vitae**

Should be brief and must include tertiary education and any employment or project experience.

**Statement of Research Interest**

This is used by the University for two main purposes:

1. To assess your relative preparedness for postgraduate study
2. To assist with matching you with appropriate supervisors.

Please note: Your statement needs to be two or three pages in length, and it must be written in your own words. If you have already prepared a draft research proposal, you may submit this as your statement.

Include at least one page on the background to the problem, issue or area that you propose to research. This should set the research into its context, and include a few citations to key literature.

- State the overall research aims or research hypotheses to be tested, i.e. what the research will attempt to accomplish
- Describe a proposed approach for the research, i.e. the steps you would follow to fulfil the research aim or test the research hypotheses
- Include full references for any literature referred to in your statement
- Submission of a statement does not commit you or the University to undertake the proposed research. Your eventual research project will emerge as the result of negotiation between you and the research advisor(s)
- The statement is not the same as the formal research proposal you will produce for your thesis (although the statement may be helpful in developing the full proposal)
- **You are strongly urged to discuss your research interests with an advisor before submitting your application. The advisor will be in a position to provide feedback on a draft of your statement.**

**Two references**

Your referees should both be in a position to comment on your academic performance and ability to complete the degree. If you have completed a thesis, dissertation or project we will expect your supervisor to provide a reference. Your application can be processed more quickly if these confidential reports are attached to this form in sealed envelopes. A standard referee form is supplied with this.
